The *Delegation Illumination Celebration* is both an introduction to Middle-eastern culture and a fundraiser for the Boulder-Nablus Sister City's delegation to Nablus, Palestine. Join us for an evening of unique entertainment, dancing, food, billiards and more...as well as a very diverse **silent auction**. Local Palestinian-American artist Julia Halaby will offer **hand-forged jewelry** for purchase.

In addition to performances and the dance party, the night will include video messages from our partners in Palestine, a slide-show presentation by Anastacia Dadashpour & Maria Flegas, local dancers who attended last year's Nablus Cultural Festival, and remarks by Essrea Cherin, Boulder2Nablus delegation leader, as well as several other delegates.

Admission is \$20, VIP Silver admission (with gift) is \$30, VIP Gold admission (two gifts) is \$50, and VIP Platinum admission (three gifts) is \$100. Tickets will be available beginning February 22 at bit.do/boulder2nablus
